Land Care Niagara Can Help

Annually, over 325 clients, wishing access to good land stewardship information are served by LCN. Clients are served directly by LCN through discussion and information packages, but some are referred to other available expertise. At LCN we have fingertip access to over 200 organizations and agencies dealing with land care issues.

Do You Have a Project?

LCN financially supports action-oriented projects that promote wise land management in Niagara. This includes funding for plant material for properties that support the Niagara Natural Heritage Framework. Contact the LCN office for

Your Niagara Community Land Stewardship Council

Council members are volunteers and firmly believe in promoting the merits of responsible land management while respecting the rights of landowners. Selected by a community founding committee, members represent the diverse values the citizens of Niagara place on their land.

Our Vision

Land Care Niagara (LCN) is committed to creating a healthy and sustainable rural and urban environment, consisting of citizens who are knowledgeable and active in land resource management.

Land Care Niagara is part of a not-for-profit network that promotes wise land management. Sponsored by the Niagara Community Land Stewardship Council, with support from the Ontario Ministry of Natural Resources – Ontario Stewardship. Niagara is one of 40 communities across Ontario to have such a council.

Our Mission

The Niagara Community Land Stewardship Council aims to promote and encourage responsible land use practices through:

- u Fostering awareness of environmental values in the community.
- u Increasing understanding through information and communication.
- u Educating and providing the best information on responsible land management.
- u Creating partnerships between landowners/land users/agencies and interest groups.

Our Projects

The LCN program has only been operating for a few years, but has cooperated with over 100 partners to assist in implementing over 80 projects that help achieve our mission. Those projects include:

- u Workshops on woodland management
- u The Niagara Natural Heritage Framework
- u Endangered species conservation
- u Stream restoration work
- u Environmental programs for children
- u Educational material for landowners
- u Urban Landscaping with nature workshops
- u Community tree planting
- u Hooked-on-Fishing-not-on-Drugs®
- u Resource Management Demonstrations
